information about elizabeth smith prints

All Fine Art Prints are taken from an original pen and ink drawing. Each is individually laser printed by the artist in archival ink on Arches watercolor paper.

Small Prints (S) are issued in a Limited Edition of 500 and are single matted in cream acid free neutral pH board to a finished size ranging from 8 x 8.5" for the smaller prints to 11 x 14" for the larger.

Full Size Prints (FS) are issued in Limited Edition of 50 and are double matted in 'Snowflake' museum-quality preservation board to a depth of 4.25". Dimensions specified are image size.

Each print is titled, numbered and signed by the artist and each print is presented with a backing of acid free foam core and is frame ready.
